cent annual session of the Ontario, N. Y., Association of Universalists, Mrs. Lydia A. Jenk-The second floor is used for the manufacture of wood-work, bodies, carriage parts, wheels, &c., &c. It contains twelve benches, at which work as many men.

The third and fourth floors are occupied as paint shope, by two different sets of hands.—

Those in the third story work exclusively converted to the ground form of the goals. The control of Universalists, Mrs. Lydia A. Jenkins received a letter of fellowship as a preacher of the goapel. Her husband is also a minister. This is supposed to be the first female who ever received a letter of fellowship from any ecclesiastical body. Rev. Antoinette Brown was only ordained by her congregation. The Quakers have been in the habit of having female preachers, but they never ordain or in any
